

Saving Lives Through Organ, Eye, and Tissue Donation

We are a non-profit health service organization who saves and enhances lives through organ, eye, and tissue donation.

As the organ procurement organization for Maryland, we facilitate donation and transplantation in area hospitals, provide donor family support, and educate hospitals and the general public about the life saving power of donation. The LLF is also an accredited tissue bank for the state of Maryland.

The LLF works collaboratively with 34 hospitals in our service area which covers all of Maryland except for Montgomery, Charles, and Prince Georges Counties.

Since
2007

1,943
ORGAN DONORS

5,677
ORGANS TRANSPLANTED

5,196
TISSUE DONORS

MISSION

The Living Legacy Foundation of Maryland inspires our community to save and enhance lives through organ, eye, and tissue donation while honoring the legacy of donors and their families.

VISION

We challenge ourselves and others to realize our community's potential to save and enhance lives through organ, eye, and tissue donation.

QUALITY COMMITMENT

In collaboration with our community partners, we strive to improve, innovate, and further our mission to save and enhance lives.

Over 3,000 Marylanders are currently waiting for a life-saving transplant.
